FROM YOUR CARE TEAM

Your care team, in your pocket.

willowbridge is the free app from our practice. See the care plan you built with your provider, review your readings, send a quick weekly check-in, and message a real person between visits.

THREE STEPS

1

Scan the code for your phone with its camera and install the app. It's free.

2

Ask our staff for your registration link or code. That's what connects the app to your chart.

3

Open the app, scan your registration code, and choose a 4-digit PIN. Face ID or fingerprint keeps it locked.

- Your care plan — goals and medications, always current
- A weekly check-in so your team knows how you're doing
- Your upcoming appointments

- Readings from the home devices your practice provides
- Messages answered by a real person on your care team
- No ads, and your information is never sold
